

A blurred background image of a modern interior space. In the foreground, there is a large, light-colored modular sofa. In the background, a kitchen area with white cabinetry and a wooden countertop is visible. Two pendant lights hang from the ceiling. The overall aesthetic is clean and contemporary.

SHOKOUFEH NAZARI
ARCHITECT & INTERIOR DESIGNER

INTERIOR DESIGN PORTFOLIO

Since 2015

The background of the entire page is a blurred, high-angle photograph of a drafting table. It shows architectural blueprints with various geometric shapes and lines. A black drafting compass is visible in the upper left, and a black pen or pencil lies diagonally across the right side. The lighting is soft, creating a professional and artistic atmosphere.

ABOUT US

Led by Shokoufeh Nazari, our architecture and interior design team brings over a decade of experience in creating refined and functional spaces. Our work spans across architecture, interior design, decoration, and full renovation and restoration services for both residential and commercial projects.

Over the years, we have remained committed to using quality materials and up-to-date design approaches tailored to each client's vision. Every project is guided by a deep appreciation for detail, balance, and timeless elegance.

We believe successful design is a result of close collaboration, creativity, and a deep understanding of the space and those who inhabit it.

SHOKOUCHEH NAZARI
ARCHITECT & INTERIOR DESIGNER

Collaboration Process:

- **Space Planning**
We offer expert guidance in space planning by conducting a thorough analysis of your environment. This helps you make informed decisions on how to optimize functionality and tailor the layout to your specific needs.
- **3D Rendering**
To bring our concepts to life, we provide high-quality 3D renderings that offer a realistic and immersive preview of the proposed design and its potential transformation.
- **Design and Execution Management**
From the initial concept and detailed planning to final execution, we manage the entire interior design process — ensuring seamless coordination, quality delivery, and a smooth experience from start to finish.

Our Services:

- Architectural Design and Planning
- Interior Design and Decoration
- Project Execution
- Renovation and Restoration
- End-to-End Villa Design and Execution
- Green Space Design and Implementation

Bohemian Residential Project

- This bohemian-inspired interior design project showcases a warm and inviting aesthetic that blends rustic charm with contemporary flair. The use of microcement on the walls creates a textured backdrop for the natural wood and neutral color palette.

Traditional handmade tiles are incorporated throughout the design, adding a touch of authenticity and character to the flooring and bathroom walls.

Boho-style accessories, such as chandeliers and decorative pots, add visual interest and texture to the space. The overall effect is a cozy and eclectic space that exudes a sense of laid-back elegance.

Modern Residential Project

This modern residential design emphasizes clean lines, minimalism, and a harmonious balance of warm and cool colors. Sleek, contemporary furniture creates a stylish and functional living space that prioritizes both comfort and aesthetics.

Warm materials tones and soft textiles are juxtaposed with cool metal accents and neutral walls to create a sense of depth and visual interest. The overall effect is a serene and inviting home that exudes a sense of calm and tranquility, providing residents with a peaceful retreat from the hustle and bustle of daily life

Aftab Derakhshan Darya Office Project

The use of microcement on the walls and flooring adds texture and depth to the space, creating a sense of warmth and grounding. The overall effect is a contemporary and inviting workspace that prioritizes both functionality and aesthetics, providing employees with a calm and inspiring environment that fosters productivity and creativity.

Modern Residential Project-Shariati , Tehran

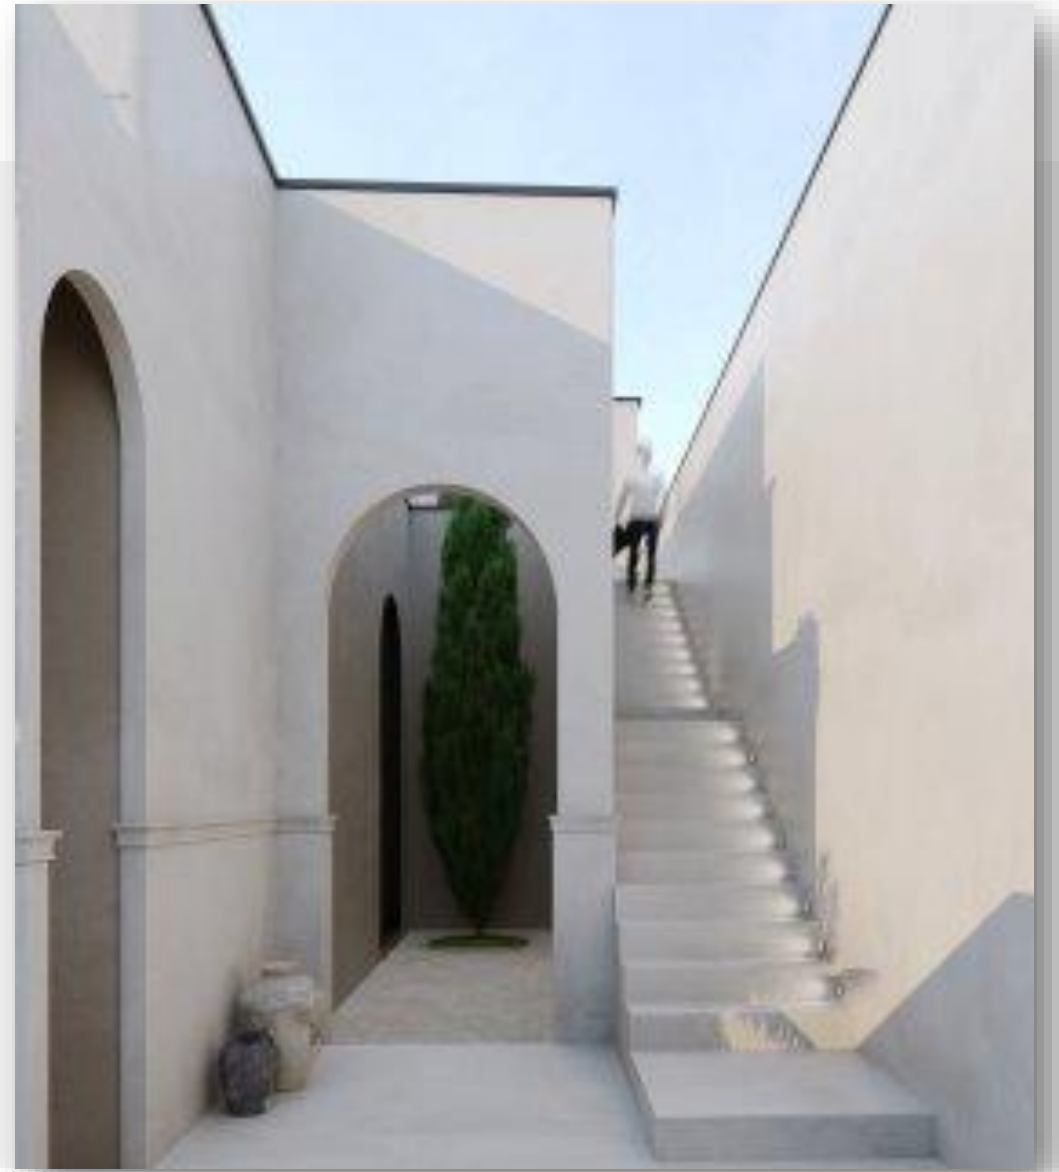

Daloon House -Villa

Daloon House is a residential villa that combines rustic and neoclassical design elements, blending tradition and elegance in perfect harmony. Its name is derived from the unique

"daloon" corridors, an integral part of the design that offers respite from the intense sunlight, typical of Kerman's climate.

The facade features off-white microcement, which not only adds to the villa's visual appeal but also ensures durability against the region's harsh weather conditions. Neoclassical elements adorn the exterior, adding a touch of sophistication and elevating the overall aesthetic. The dark cream microcement used in the "daloon" areas creates an alluring contrast with the rest of the facade, while offering a cool, shaded retreat for relaxation.

Cortado Cafe

This modern cafe features a unique design that blends contemporary and artisanal elements. Hand-painted walls create a one-of-a-kind backdrop for the space, showcasing the beauty of handmade craftsmanship.

Natural materials like wood and stone are incorporated throughout the design, creating a warm and inviting atmosphere that encourages customers to relax and linger over their favorite beverages

Summary

As a Master Architect with over a decade of experience in interior design and execution, I bring a comprehensive understanding of space, material, and detail to every project. My expertise spans from initial concept development to full project delivery — with a strong focus on functionality, aesthetics, and client satisfaction.

Fluent in both English and Persian, and proficient in tools such as 3ds Max, AutoCAD, V-Ray, and Photoshop, I have led residential and commercial projects with a hands-on and client-centered approach.

I am also proud to be a recipient of the 40×40 Interior Design Award, recognizing creative excellence in interior architecture.

This portfolio reflects my commitment to timeless, human-centered design and seamless project execution.

A blurred background image of a modern interior space, likely a living room or lounge area. It features a large, light-colored sectional sofa in the foreground, a low wooden coffee table, and a kitchen area with white cabinetry and a wooden countertop in the background. Two modern, curved pendant lights hang from the ceiling. The overall aesthetic is clean, minimalist, and contemporary.
