“

architect and interior designer, specializing in creating unique spaces tailored to the needs and personality of each client.

With experience in façade design, interior design, and both modern and classic styles, along with proficiency in professional design software, I bring ideas to life from concept to execution with precision and quality.

My goal is to combine creativity, technical detail, and aesthetics to deliver spaces that are not only visually striking but also functional and distinctive.

EXPERIENCE

Design Supervisor, Interior Designer | Fulltime | Onsite

Arad Abniyeh Etminan Company | Tehran

May 2022 _ October 2024

I worked as an architect and interior designer, specializing in both modern and classic styles for residential and commercial projects. I was responsible for the complete design process — from concept development and creative design to 3D modeling, rendering, and preparing detailed construction drawings (Phase 2).

In my final year with the company, I also managed and coordinated the work , as well as supervised project execution to ensure design accuracy. Our portfolio included luxury projects across Tehran, Istanbul, and Dubai.

Architect and Interior Designer | Freelance

jan 2018 _ Aug 2025

I worked as a freelance designer on various residential and commercial projects. These included architectural facades, interior design, and landscape design, covering a range of styles and scales—from concept development and design to 3D modeling, rendering, and producing construction drawings.
