Interior design

در طراحی این ویلا ، با توجه به خواسته کارفرما محترم که آشپزخانه انزو باشد ، متناسب با این فضا، سبک طراحی قسمت های دیگر را هم نئوکلاسیک در نظر گرفتیم

همچین با استفاده از اسلب روشن با طرح کلکته گلد در ابعاد $120 \times 2/40$ ، آینه های دودی یا روشن ، متریال های گلد خانه را دل باز تر و روشن تر کردیم.

همچین به دلیل کم بودن ارتفاع سقف از آینه در آن قسمت استفاده کردیم تا با ایجاد خطای دید ارتفاع را بیشتر نشان دهیم

A high-quality architectural rendering of a modern living room. The room features a white, tufted sofa with red and black patterned cushions. In front of the sofa is a dark wood coffee table with a glass top, holding a vase of white flowers and a small tray. To the left, a white armchair is visible. To the right, another white armchair is partially shown. A large window on the right side of the room offers a view of greenery outside. A potted plant sits near the window. The ceiling has a recessed area with a large, ornate chandelier. The walls are white with a subtle texture, and a gold-colored wall sconce is visible on the left. The floor is covered with a light-colored, textured rug. A dark red rectangular box with the text "Rendered views" is overlaid in the center of the image.

The background of the slide features a dark, moody photograph of pink flowers, possibly peonies, in bloom. The flowers are clustered on thin, dark branches, with some buds still closed. The lighting is soft, highlighting the delicate petals against the deep black background.
